### ST. ANN CHURCH NEWS

A thought for meditation from our pastor Father Justin Furman, ST.

#### HIS GRACE IS SUFFICIENT

There is never a day so dreary  
 Nor an hour so filled with despair  
 That help is not ours for the asking

If we knock at heaven's portals in prayer.

At the moment we ask, He will answer

He is never asleep or away;  
 He doesn't remove every burden,

But He always gives strength for the day.

He doesn't say life will be painless,

That we'll never grow tired, or grieve

But He promises rest for the weary,

And comfort to all who believe.

His grace is always sufficient.

In our weakness, He helps us to stand;

And problems and trials are lighter

When we know He is holding our hand.

Phyllis D. Robbins

### Litter offenders must be punished

"Put your money where your mouth is," intoned an elderly black gentleman whose mission was to raise money to repair a church building. Good advice with a ring of sincerity.

Every remedy known to man (with one exception) has been tried in an effort to get the litter off our streets and highways and KEEP IT OFF.

Recall the litter bags provided free of charge for the convenience of those who need a place to stash paper napkins, plastic cups, gum wrappers, cans and bottles etc. That didn't work.

Remember the attractively painted barrels with the witty invitations to place trash there. They were conveniently placed too. But it didn't work.

Then there were the Boy and Girl Scouts, the Key Clubs, and civic minded groups setting good examples. School children were involved and admonished. But it didn't work.

Now being tried for the umpteenth time is a volunteer clean up campaign. Well intended crews spending precious time cleaning up other people's clutter. It has been tried before. It didn't work.

"There ain't no holt that can't be broke," remarked a seasoned old wrestler.

Are we ready to try the "last holt"? Let's try it? LET'S GET TOUGH! Let's make the fine for littering run high enough to hurt the pocket book of the offender. Just having an ordinance on the city books won't work.

We need a few good policemen with fairly good penmanship to apprehend and arrest offenders. We need an alert community willing to take time out to witness -- or to inform -- and assist in seeing that offenders PAY THEIR FINES.

Let's fight litter with whatever it takes to get our streets, roads and highways clean -- and keep them clean.

## Martin Marietta wins NASA contract

Martin Marietta Manned Space Systems has been awarded a contract by the National Aeronautics and Space Administration to design and develop a system to demonstrate propellant tank pressurizing technology for future space boosters.

The three-year, \$5.5-million contract is a result of the company's Liquid Rocket Booster study for NASA, which identified requirements for an advanced space booster.

The new project will allow NASA to demonstrate technology for liquid-fueled boosters as well as for hybrid boosters that are both liquid- and solid-fueled. A series of test firings on a converted rocket engine test

stand at the NASA Marshall Space Flight Center, Huntsville, Ala., is planned for the mid-1990s.

Pearson remained unconscious for some time after being struck in head with an unidentified object, thought to be a fireplace poker missing from the house, Seay said.

The victim reported the incident to the Sheriff's Department, Thursday morning.

While Pearson was unconscious, his assailants took \$129 in cash, \$690 in checks, a television, assorted household items and his Lincoln Continental.

The two subjects, who gave their names as Johnny Jones, 31, and Bryan English, 31, were apprehended in Crestview, Florida, Friday.

Authorities do not believe the names given by the pair are accurate since neither was carrying identification, Seay said.

## Calls to Social Security will soon become toll-free

Effective October 2, 1989, all residents who live in Hancock, Pearl River, Stone and most parts of Harrison County will start using an 800 number when they call Social Security, Carl V. Stephens, district manager, Gulfport, made the announcement today.

He stated that the toll free line previously used by the residents will be replaced by a toll free number.

The number will be 1-800/234-5772 and he urged everyone to write down the number in case there is a need to contact the Social Security Administration.

This change has been made so the Social Security Administration can serve you better now and in the future.

The agency has expanded its telephone system significantly to provide national toll-free service, by adding operators and purchasing the latest telephone equipment to help provide better and more convenient service for everyone.

"By dialing 800/234-SSA (800-234-5772), you can now call us toll-free any time, 24 hours a day, 365 days a year. Call us between 7 a.m. and 7 p.m., and you will speak to a live operator. We will take care of your question or request on the

spot, or if this is not possible, we will call you back at a mutually agreeable time," said Stephens.

If you call after 7 p.m. or before 7 a.m., you can leave your name and telephone number, and we will call you back the next work day at a time convenient to you.

"You will find SSA teletext especially convenient if you need to change your mailing address, obtain your earnings record, make an appointment to file a claim for benefits, or ask a question," he said.

Stephens stated that the local offices will continue to provide the services they have in the past. This includes assisting individuals in filing applications for benefits under the Retirement, Survivors and Disability Social Security Programs.

The offices will also provide the same services under the Supplemental Security Income Programs. However, he emphasized that most business can be handled by appointments and by using the telephones.

## "QUOTABLE QUOTES"

By Ellis C. Cuevas

The high school game of the year in Hancock County is scheduled for Friday night at the Hancock North Central Stadium.

The Hawks 4-0, will play host to St. Stanislaus 4-0, in the battle of the undefeateds.

Both teams are explosive and can strike for paydirt from any place on the field.

The Rock-A-Chaws excitement comes from Cedric Smith's passing and Terrance Goff sparks the Hawks with his superb running.

The Hawks and Rocks appear to be well balanced teams and play as a unit.

The Hawks will have homecoming as an additional boost to the team.

Both squads are well coached, the Hawks by veteran Irvin Favre and the Rock-A-Chaws by Ken Lyons, who is in his third year at St. Stanislaus.

This may not only be the game of the year, but the game of the decade, as both squads are 1-0 in the same conference and want to remain undefeated there too.

A game like the one at Hancock Friday night can be a high scoring contest, which I think it will be, or it could turnout to be a defensive struggle and very low scoring, or some feel a runaway, which I doubt.

Guess I covered myself in all areas.

I urge those planning on going to see the Hawks and Rock-A-Chaws to get to the stadium early, as it should be standing room only.

Good luck to both teams.

The Tigers of Bay High on Friday will be trying to break into the win column when they play host to East Central's Hornets.

It is homecoming for Bay High and a good crowd is expected.

This is a rebuilding year for the young Tigers and they could with some good home town support and a good bounce here or there to come up with victory number one of the season.

Pass Christian will journey to Wiggins to tangle with the Stone County Tomcats.

The Pirates will have to be really up to contend with Stone County, as they always seem to have a potent team.

Coast Episcopal will journey Friday night to Mobile to play Faith Academy.

Coast Episcopal is rather new to 11-man football and appears to be improving with each game.

Remember, kickoffs are at 7:30 p.m. and we hope to see you at the game.

Election is the time when qualified electors are given an opportunity to vote for the person or persons of their choice.

There are too times when qualified electors are unable to vote because of an unfair law. This situation has been quite prevalent during the past two years because of the large number of special elections held.

The law states that a qualified elector is unable to vote absentee if he is on vacation.

So qualified electors who are really concerned about their right of voting will arrange vacations when they do not conflict with regular elections.

On the other hand, some vacations are planned a year or so ahead and may fall on a special election date like next Tuesday's is for a group of local residents.

These qualified electors are being deprived of the opportunity to vote because of the inequitable provisions of the law and I feel our local legislators should address this issue as soon as possible.

The theme of the Fourth Degree Knights of Columbus is patriotism. The article below which was submitted by Pere Le Duc Knights Council No. 560, Bay St. Louis, expresses the group's sentiments regarding treatment of the flag. The author is unknown.

### Remember Me?

Some people call me Old Glory, others call me the Star Spangled Banner, but whatever they call me, I am your flag, the flag of the United States of America. Something has been bothering me, so I thought I might talk it over with you.

I remember some time ago people lined up on both sides of the street to watch the parade and naturally, I was always there, proudly waving in the breeze.

When your daddy saw me coming, he immediately removed his hat and placed it over his heart. Remember? And you, I remember you standing there straight as a soldier. You didn't have a hat but you were giving the right salute.

Remember your little sister? Not to be outdone, she was saluting the same as you, with her hand over her heart. Remember?

What happened? I'm still the same old flag. Oh, I have added a few more stars since you were a boy, and a lot more blood and has been shed since those parades of long ago.

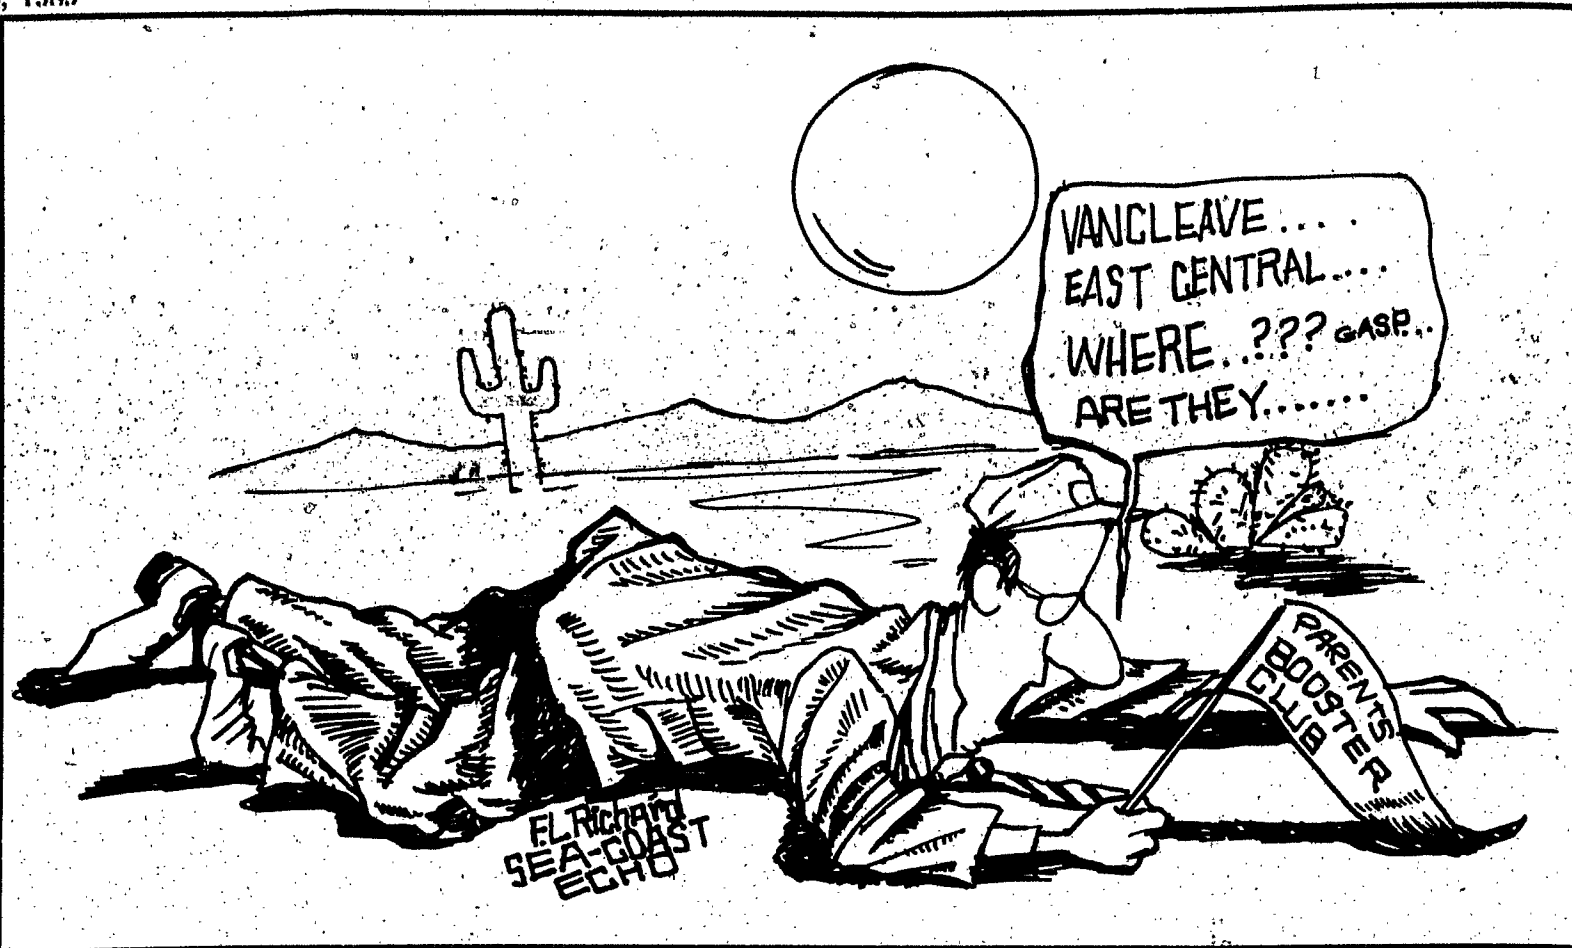

But I don't feel as proud as I used to. When I come down your street, you just stand there with your hands in your pockets. I may get a small glance but they you look away.

I see the children running around and shouting. They don't seem to know who I am. I saw one man take off his hat and look around. He didn't see anybody else with his hat off so he quickly put his back on.

Is it a sin to be patriotic any more? Have you forgotten what I stand for and where I've been? Anzio, Normandy, Omaha Beach, Guadalcanal, Korea and Vietnam.

Take a look at the Memorial Honor Rolls some time. Look at the names of those who never came back in order to keep this Republic free. One Nation Under God. When you salute me, you are actually saluting them.

Well, it won't be long until I'll be come down your street again. So, when you see me, stand straight, place your right hand over your heart. I'll salute you waving back. And I'll know that you remembered.

## LETTERS TO THE EDITOR

### Registered voters denied the privilege

To the Editor:

Talk about discrimination in voting - it's alive and flourishing in the State of Mississippi! Just how many people are discriminated against during each election is hard to say. I know of 12 people being denied their right to vote for the candidate of their choice on October 3.

Why? What "crime" did they commit?

None, actually, but they (we) apparently used "poor judgment" in scheduling a vacation trip a year ago for the first week in October 1989.

"What's the big deal?", you might say. "Just go to the courthouse and vote an absentee

ballot."

Not so, because being out of town on vacation does not qualify a person for absentee voting privileges under existing Mississippi law.

As a military veteran of WWII, Korea, and Vietnam with 30 years of service, my wife and I (Theresa), vigorously object to this discrimination. Throughout our careers and no matter where we were in the world, we received our absentee ballots - and we voted.

Not being allowed to vote in this special election (October 3) is not the first time we have been denied our right to cast a vote.

It happened 3 years ago, at which time I tried to work through the "system" to get the law changed. I wrote letters to Dick Molpus (Secretary of State), and our representatives. I received letters from all of these gentlemen, agreeing that the law should be revised to correct this inequity, and that they would take action to have it corrected at the next session of the legislature. Three years later the law remains the same - not because these gentlemen didn't try, because they did.

They introduced a bill (in conjunction with other bills) to revise the voting laws to include vacation absence as a legitimate reason for absentee voting. But as usual our "stand pat" good ole boy legislators who know what's best(?) for Mississippi - You know, the ones with "it" problems and even shorter vision for our future - decided they know best. So here we are, still being discriminated against.

This letter is my way of going public and requesting that all voters ask their elected representatives to pursue this inequity in the law at the next session of the legislature. You know, this October 3 election is critical and the 12 votes I'm talking about could make a difference.

How about others who want to vote but will also be on vacation? It's time to correct this discrimination inequity in the law.

Voting is the most important

political privilege we have. It is a duty and obligation on our part to responsibly cast our vote every election day on the candidates and issues of our choice. Theresa and I take this responsibility seriously. Not being allowed to vote makes both of us "damned angry!"

To those elected officials who may read this I again ask - would you please take action to obliterate/destroy this discrimination in the election process? Your cooperation is certainly appreciated.

Sincerely

Randolph C. Bourgeois

### ASRM testing will take toll on country

To the Editor  
Sea Coast Echo

Like yourself and virtually all local citizens, including those working in the Stennis Space Center, I am concerned by the NASA's plan to test-fire Advanced Solid Rocket Motors (ASRMs) at the Hancock County test facility.

These motors are giant skyrockets, two are used at each launch of the space shuttle. "Advanced" of course means larger. They burn out in about 2 minutes helping to lift an enormous load toward outer space. Their casings disengage from the vehicle and fall into the ocean from which they are recovered for reuse.

A single ASRM is calculated by NASA to spew into the atmosphere more than 200 tons of finely divided aluminum oxides and 137 tons of hydrogen chloride (HCl) which, when combined with atmospheric moisture, will produce 360 tons of concentrated hydrochloric acid (one of the strongest acids in a chemistry laboratory).

This is pollution on a colossal scale never before attempted by man. Few volcanoes have done as much. It makes a laughing stock of individual and community efforts to control pollution. Clearly, the enemy is us, spelled U.S.A.

NASA prefers to talk about aluminum oxides. Aluminum is the metal most common in the earth's crust. A narrowly held hypothesis holds that finely divided aluminum oxides taken into the lungs causes, or aggravates, Alzheimer's disease (the

syndrome involving loss of memory in older persons).

A generation from now medical scientists will still be debating this question. No disagreement is possible on the damaging effect of acid put into the atmosphere. It increases forest-damaging acid rain and aggravates the "greenhouse effect" producing a warming of the earth's surface resulting in a rise of sea level (3 to 9 feet per century) and increasing violence of hurricanes.

NASA states that the local effects of the Hancock County tests will be negligible. But, the acid will come down somewhere. Atmosphere has almost zero buffering capacity, plants and animals buffer acid only slightly.

The acid won't be buffered until it reaches the soil or the ocean. (Buffering is the capability of partially neutralizing strong acids.)

I think there are tremendous hidden costs involved in NASA's man-in-space program and in the military programs utilizing ASRMs.

My own thinking is that Spanish Moss will die after the first test firing. Thirty years of testing and launching space vehicles with ASRMs will take out forests, galvanized roofs, tin cans and automobiles. Humans and most animals will survive to enjoy Alzheimer's disease in their old age.

Yours truly,

## THE PEOPLE'S BUSINESS

From the Mississippi  
Economic Council

### Crisis management costly to business and industry

Government officials someday are going to have to learn that crisis management is a poor and costly way to operate.

There looms the threat in Mississippi that some of the state's industries may have to shut down, because the state lacks a long-range plan detailing how it will handle hazardous waste produced by some industries.

The problem was recently pushed to the fore by a decision in Alabama to prohibit the disposing of hazardous waste from states that have no waste facilities of their own.

But while the decision in Alabama to prohibit shipments of hazardous waste from Mississippi came only recently, our state officials knew it was coming several years ago.

If ever there was a case of one step forward, two steps backward, this is it.

Economic Development 101:

When attempting to attract and create new jobs and industry, never, ever, neglect the needs of existing businesses and industries.

Lawmakers last year did pass a bill allowing the construction of hazardous waste sites in Mississippi. However, they did so only by including a local option provision.

To deal with this dilemma will require courage from our state's lawmakers and a genuine effort to keep it from becoming politicized.

The subject is emotional and controversial. The opportunities to lower the debate to a fear-evoking level will be many and should be avoided.

While the problem can still be dealt with in time to prevent any repercussions, a severe blow has been dealt to the state's image of how it treats existing industries.

Help the UNITED WAY of Hancock  
County reach its goal of \$100,000.

## COUNTY AGENT NOTES

By Lee Taylor

### Lee Taylor bids farewell to Hancock County Oct. 2

**LEE TAYLOR**  
This will be my last news article to write as county agent for Hancock County. On October 2, I will assume my duties as county agent for Forrest County, located in Hattiesburg.

My wife Carol and our three children have greatly enjoyed the past six years in Hancock County. We have met many wonderful people and have made friends that will last a lifetime.

A fork in the road of life has appeared, and now we must follow a new path.

The cooperation I received from city and county governments and from each community in the county has been more than any county agent could ask for in any county.

The experience that I have gained here has been extremely valuable and will help me in the future.

Carol and I both agree that Hancock County is the best county that either of us has lived in, and we've really enjoyed our place in the community.

Personally, I have regrets in leaving, but there are many good times to remember and many accomplishments.

Hancock County now has a valuable farmers' market, a strong cattlemen's association, and broader public awareness of how the Extension Service can help folks. So as they say, it's always best to go out on a good note!

If I can ever be of assistance to you, please contact me.

A replacement for my position will be named hopefully by Jan. 1.

Extension will continue to assess the needs of the public through various Extension Advisory Councils. Members in Hancock County are A. G. "Fritz" Harris, Mrs. Joan Gauthier, Pete Speights, Mrs. Margie Welsh, Greg Smith, Mrs. Gloria Deen, Frank Lee, Ellis Cuevas, Bill Tate and Frank Nemier.

If you have concerns that you feel Extension could assist with, you might want to pass them along to one of these people.

### ON ETV

#### OSTRICH FARMING

Mississippi ETV's "Farmweek" visits some fine feathered friends that don't fly on the Monday, Oct. 2, edition airing at 7:30 p.m.

"Farmweek" will visit a Mississippi ostrich farm and explore some of the profits and pitfalls of this unique farming venture.

A production of Mississippi ETV and the Mississippi Cooperative Extension Service, "Farmweek" offers the latest in state and national agricultural news, price analyses, market updates, weather forecasts and consumer information.

### Band Boosters plan fair

The Bay High Band Booster Club needs volunteers to work at a fundraising fair, proposed for Oct. 14 and 15 at the Bay High football field.

The fair will include food, crafts, a dunking booth, pie throwing, games, ear bash, plants, cakes, music and other items, with a booth fee of \$25 for

profit-making groups and \$1. for non-profit organizations.

Proceeds from the event, proposed for 1 p.m. until 9 p.m. Oct. 14 and 1 p.m. until 6 p.m. Oct. 15, will be used to help defray the band's travel costs.

To volunteer, call Michelle Albe at 467-0427 or Frank Bakis at 467-5806.

Fall is the power season for Seventh Avenue. As the weather turns crisper, spring and summer clothing seems flimsy, insignificant. This is the season when women across the country buy those fat, five-pound issues of fashion magazines in search of something that is fashionable, yet wearable.

Today's women are tired of being dictated to by fashion designers. They are tired of feeling that, to be considered stylish, they must wear clothing that is neither flattering nor appropriate to their lifestyles, or which will look dated after one season.

And, slowly but surely, designers, stores and fashion magazines are beginning to respond to the needs of modern women. Lately, fashion magazines have begun to talk about "personal style," the idea that it's best for women to wear what makes them happy, and to express their personalities through their clothing.

Personal style means having the confidence to combine pieces which traditionally don't belong together, like separates from different designers, or something bought a few years ago with something bought this season, or something casual with something dressy.

This season, it's apparent that designers, rather than indulging in pure flights of fancy, have taken some time to think about what women really want and need. Most of them have designed clothing that is elegant, wearable and versatile, and which will still look great next fall, or even a few

years from now.

Fall, 1989, is about looking and feeling your best. Luxurious sportswear in rich fabrics and relaxed shapes helps the modern women step out in style.

Soft, touchy jackets are great wardrobe updaters this season. They are the focal piece of many American collections. These jackets have a softer shoulder and skim the body like a blouse. Bathrobe wraps, drape fronts and even classic blazers come in colors that make a statement.

Coats are also headlines. They are unfitted and fluid, as seen with the swing or trapeze coat. The tailored, double breasted coat is now oversized, with soft shoulders. Bathrobe wrap coats have shawl collars and gracefully cloak the body.

Long skirts are lean and slit up to the thigh - a new way of showing some leg. Of course, short skirts also continue to look modern. But, the woman who would feel uncomfortable in a slit or short skirt has plenty of options, since many collections feature pants and longer skirts which are full and not slit.

Knits are the backbone of many collections. Staples, such as the turtleneck, can be used for layering or be part of total knit outfits. This fall, fashion is comfortable, so knits are a substantial part of what's coming from Seventh Avenue.

In keeping with the relaxed feeling, draped skirts and blouses, soft and figure-flattering, are uniquely important.

Well-bred color is a significant detail. Midnight blue, the deepest and darkest of blues, replaces black in many designers' collections. Pale shades of camel are captivating on their own or when paired with mid-night blue. Ivory is the season's bright, to accent the monotone layered separates. Smoke gray, spice brown and moss green also are important.

Fabrics are soft and sumptuous this season. Cashmere, alpaca, wool and pure camel's hair are used in a way that makes them touchable as never before. Suede is used in supple jackets and skirts.

For those who prowl the urban jungle, animal prints are making a comeback and turning up everywhere. However, it's usually best not to go overboard with this motif.

Animal prints look best when used sparingly, rather than head-to-toe. One piece, such as a scarf, bag or hair ornament, can add excitement to an unadorned outfit.

Accessories add style to every designer's collection. Buttons double as jewelry on some clothing. Belts are wide and define the waist, or are fashioned from

gold chains with colored stone details.

Studs are used to embellish sportswear. Black velvet piping boldly defines the shape of a dress or suit, for day into evening dressing. Hosiery usually matches the color of the dress or skirt, for a streamlined effect.

Of course, there are still many avant-garde designers, free spirits who design the kind of clothes that prompt most women to ask, "Who in the world would wear that, and where would they go in it?" Yet, these designers have their fans, and some of their most extreme designs may very well turn up, in modified forms, in future collections of the more mainstream designers.

This season, there really is something for everyone, from the woman who likes the most classic styles, to the one who likes to be the center of attention in the trendiest outfits.

Fashion-conscious women can select the styles and details they like best from the fall collections, combine them with the favorites already in their closets, and feel confident that their personal style is shining through in every ensemble.

## Update your fall wardrobe with fashionable accessories

Fashion direction for fall '89 is so accessories-dependent, that every American woman is going to be able to update her wardrobe easily, with the right belt, glove or piece of jewelry. Aris Isotoner, leading accessory manufacturer, has these suggestions on selecting the newest, most powerful accessories this fall:

**Jewelry**—Look for jewelry smaller in scale, finer in detail and romantic in feeling. Antique and burnished gold dominates in metals, adding that all-important ethnic spice. Length is all-important in necklaces;

the longer the better!

Also, look for objects of nature, such as leaves, acorns, twigs, as well as coins, as jewelry motifs—all in chains, bracelets and earrings.

**Handbags**—Just remember, softer shapes in larger sizes. Lots of roomy drawstrings and pouches in shoulder bag and tote-bag shapes.

Croc and alligator take the spotlight in warm shades of brown, as well as soft moss greens, russets, and teals. Suedes become softer in shape and look great in dark jewel tones and black. Lots of gold

hardware accents make handbags right for fall '89.

**Gloves**—Suede is the most important material that will be seen in gloves of all lengths. The elegance of decorative details, such as embroidery, colored stones, onlitting, button trims, metallic trims, will be noticed. Anne Klein II knit gloves with signature buttons are a perfect example of the new conservative elegance.

**Belts**—"Jewelry at the waist"—chain belts with stones, beads and tassels will be taking center stage this fall. Elegant metals, etching and scrollwork

bring buckles to the forefront especially on textured leathers.

Suedes will be popular, along with tapestry and brocade patterns. Soft leather and suede sashes with metal or self-buckles, as well as a paisley embossed belt of leather or suede can help update any fashion wardrobe.

**Scarves**—Scarf dressing is no longer an afterthought—it's bold in pattern, color and texture. Oversized shawls look great in tapestry prints.

Silk abounds everywhere, especially in squares, oblongs and ascots... paisley patterns dominate all silk scarves.

## Look thinner without dieting

When people meet you for the first time, they form up to eleven different opinions of you in just 60 seconds! Things like how attractive you are, how much money you make and even your moral character. All based solely on how you look.

If you are currently involved in a weight loss program, you may have an "I'll worry about how I look after I lose weight" mind set. But how you look now affects how you and other people perceive you. And looking good while you diet improves your chances of sticking to your goal. So, no matter what shape you're currently in, you can—and should—look your best!

Fortunately, all you need is the right information! Jinger Health, Chairman of the Board of BeautiControl Cosmetics, has put together the following image updating tips to help you pull together your best possible image—right now!

**Instant image updating tips:**  
A spritz of hairspray at the roots (not on top) adds volume to hair and slims the face!

Remember accessories! The right earrings, scarf or belt can add the extra touch that turn-

your "clothes" into an "outfit."

Larger, bolder accessories give you a more confident look.

To lengthen and slim your legs and body, always match your hosiery color to your hemline or your shoes!

Be careful not to choose clothes that are too tight or too bulky—they add pounds visually.

Wear blush correctly! Blush should be applied on top of your cheekbone. It should be worn no lower than your nose, and should be brushed upward in a sweeping motion towards your temple and blended into the hairline.

Wear big earrings! Large earrings bring attention up to your face (away from your body) and they brighten your face as well.

To "lose" ten pounds from your hips instantly—wear shoulder pads! The best shoulder pads are rounded and smaller than last year. Football shoulders are out.

Slim a too-round face by brushing bangs off the forehead, adding height on top and keeping hair sleek on the sides. Avoid circular earrings.

**VESTS-VESTS-VESTS**—Vests are everywhere this fall. Carol Young of This 'N That in Bay St. Louis wears a hand-quilted imported vest over soft cotton knit separates. (Photo by Janet McQueen)

## Fall fashions feature slimmer silhouettes

Check the date on the front of the fall fashion magazine again. Inside this year's magazines are vests, swing coats, animal prints and form-fitted dresses reminiscent of the 1950s and early '60s.

Shirley Kitzman, instructor in apparel and textile merchandising at Mississippi State University, said fall and winter fashions will have a clean, classic look with a strong renaissance influence.

"Brocade and embroidered vests will be the biggest addition to fall wardrobes," Kitzman said. "Worn with or without jackets, vests will be a fun way, especially for young men and women, to update their wardrobes."

Another style Kitzman said will reappear this winter is swing coats—that is, coats with wide, flared hems. She said this will be remembered as the style of coat worn by Lucille Ball on the "I Love Lucy Show."

Swing coats will not be the only popular coat styles; wrap around coats and sweaters (similar to bathrobes) also will be available. Parka-styled coats will be a common outdoor coat style.

She said skirt lengths will hit either about two inches above the knees or mid-calf or lower—not in between. Sarong skirts with the draped look will be popular. Riding skirts hitting around mid-calf will be a comfortable trend this winter.

The colors that will be popu-

lar sound more like something from a kitchen than from a color list: mustard, olive, egg plant, pumpkin, tomato, lemon, cinnamon and wheat. Kitzman said vibrant jewel colors will also be seen.

Animal prints, especially leopard, will be found from scarves to shoes. Low-heeled boots and pumps with wider, but not taller, heels will be popular.

Most women will be wearing jewelry: large pearls and beads, heavy chains and chokers and large cuffed bracelets. Jewelled

brooches will be popular this fall.

Kitzman said there will be fewer laced collars. Shoulder pads will be smaller and more naturally shaped, rather than the larger pads of the past few seasons.

Kitzman said fashion designers will start to introduce more short cropped jackets, preparing for a big trend in the spring.

"The overall trend will be for a slim silhouette with styles that flow and move well rather than just hang," Kitzman said.

## COOKING UP A STORM

By Katie  
McGuire, Caire

The catfish has "gone classy" as diners in other parts of the country learn what we've all known for sometime - that catfish isn't just for frying!

That one-lowly bewhiskered "cat" is getting the gourmet treatment all over the place it seems as more and more diners are learning to savor the catfish.

Not too long ago, catfish "farming" was looked upon as rather a novelty in the agricultural world, but now, with so many Mississippi farmers turning marginal land into catfish ponds, this is quite a growth industry in Mississippi, for instance.

Catfish is easily and tastily used instead of trout in many dishes, such as catfish meuniere, with butter sauce, or catfish almondine, with sliced almonds. And, then, there's catfish etouffee, just as tasty or perhaps even more so, than crawfish or shrimp etouffee, "smothered" down in a heavy skillet with tangy seasonings, and so on!

And, try catfish "dollars" served as appetizers - thinner than thin sliced catfish, fried to a crisp; or "tidbits" - a pound of catfish fillets cut into small chunks, along with eggplant chunks, both sprinkled with flour and seasonings, the catfish crisp-fried in butter or oil, the eggplant in oil.

After frying the eggplant, along with French fried potatoes, mound them into a sort of "nest" or base, then nestle the fried catfish chunks in the center. Sprinkle lemon juice and chopped parsley and a few dashes of hot pepper sauce over, and pour melted browned butter over all. Garnish with lemon slices and olives and pickles - delicious!

One of the tasty ways to enjoy catfish is in the "Pine Bark Stew" so popular in other years, so named because it originally consisted of freshly-caught catfish, cooked over a pinebark fire, with the quick, hot fire and the wood smoke permeating the contents of the pot. I also cook this in the kitchen at home, and always enjoy it, as do my guests. Here's:

### CATFISH STEW

3 lbs. or so skinned dressed catfish or filets.  
8 white potatoes, diced  
8 large onions, diced  
1 bottle ketchup  
8 slices bacon  
2 cans tomatoes (No. 2)  
4 pods garlic, chopped  
2 quarts water  
Generous dashes hot pepper sauce, pepper  
Salt, optional

Fry the bacon crisp, add the diced onions and potatoes, along with the tomatoes and garlic. Stir, add the water and simmer for a couple of hours, stirring rather often.

Add the catfish and simmer for a half hour longer, then add the ketchup and seasonings and simmer for just a bit longer before serving.

## SECTION B

THE SEA COAST ECHO—THURSDAY, SEPTEMBER 28, 1989-1B

### Time Out

By Dena Bisnette

*Sports Illustrated* paid a visit to the Hancock North Central Hawks recently, shooting photographs and collecting information for a possible feature on USM quarterback Brett Favre.

Coach Irvin Favre, who was his son's coach at Hancock, said the *SI* representatives were impressed with the school's football program, particularly as Hancock is located in a rural area.

It sounds as if his players were pretty impressed by the visit too.

Whether it's a major magazine or just a kind word from a coach or a spectator, athletes thrive on recognition of their accomplishments. Anybody does.

Sometimes, the accomplishment doesn't include winning, but just an exceptional play, a good finish in a race or beating your own personal best.

Lis Lagarde, pro at Tennis World in Diamondhead, will travel to Hilton Head, S.C., next week to attend a U.S. Professional Tennis Registry symposium and workshop.

When she returns, she will begin working on plans for a Nov. 11 and 12 diabetes benefit tournament.

For those of you who were watching the Notre Dame football games on WCCL-TV out of New Orleans, the time of the broadcasts has been changed to 8 a.m. Sunday morning. Two exceptions are the Nov. 4 Navy game and the Nov. 11 Southern Methodist game, both of which will be broadcast live at 11 a.m.

I know most people in this area follow the New Orleans Saints and the local colleges, but there are some die-hard fans out there who might actually get up by 8 a.m. to watch last year's national champions.

Would I watch football that early in the day? Well, let's put it this way—that's why people use VCRs.

Cycles Plus Bicycle Club is joining a Hattiesburg club this weekend for an early morning ride beginning at the Reed Green Coliseum. The event includes a quarter-century, a half-century and a century ride, all of which will be fully supported.

Registration fee is \$15. Anyone who would like to participate should call Cycles Plus at 467-1706.

There are several homecomings this weekend, including Bay High and Hancock North Central. Coming up in October, Pearl River Junior College will stage its homecoming festivities, including the third annual alumni golf tournament at Lake Hillsdale Golf Club.

The tournament will be Friday, Oct. 27, with the football game, luncheon, reunions and other events scheduled for Oct. 28.

Golf registration may be made by sending your handicap and a \$15 check to PRC Development Foundation, Station A, Box 5389, Poplarville, MS 39470, no later than Oct. 20. Alumni luncheon reservation information is available from 795-6801, ext. 383, before Oct. 23.

We had several Bay St. Louis runners who placed in the Oceanographic Two-mile Run/Walk over the weekend. They include Donald Everett, second in the men's 40-44 division with a time of 12:52; Jim Turcotte, first in the men's 50-54 with 12:00; and Eileen Crabtree, third in the women's 25-29 with 18:19.

Some of these names are getting familiar. Runners are a devoted bunch, I see, and the sport is obviously alive and well in Hancock County.

Benefits coming up include the St. Jude Children's Research Hospital "Wheels for Life" Bike-a-thon.

Those who wish to participate in the Oct. 7 event at Diamondhead as either riders or sponsors can contact Stanley Robert at 255-1278. Those who want to participate in Waveland should call Billy Adam at 467-4788.

One of the things I like best is listening to the little kids asking for donations. When kids try to help with fundraising drives, they not only learn to care about others, but also begin to learn a little about public speaking.

Besides, some of them already understand that only a very few people can resist a kid working for a good cause.

The *Sea Coast Echo* needs a volunteer to help with the Bay Junior Varsity football games. We need information on the games and even photos, if possible. Anyone who wants to assist us should call Dena Bisnette at 467-5474.

By the way, we got a letter the other day praising the team's 2-1 record and I think that's great, but unfortunately the letter was unsigned and I wasn't able to contact its writer about volunteering.

### Diamondhead Women's Golf lists tournament results

Pal Tournament  
Pine Course

Jo Czalski and Connie Cashen, first; Mary Hays and Marie Calmes, second; Phyllis Lilley and Lois Velkas, third; and Bonnie Coughtry and Lana

Billie Bahner and Maggie MacMillan, fifth; Thelma Hopkins and Emilie Abell, sixth; Carolyn Koerner and Nell Perry, seventh; and Eva Bond and Corinne Ladner, eighth.

## Rocks, Hawks evenly matched, to decide county rivalry Friday

Two of the most evenly matched teams fans are likely to see this year will go helmet-to-helmet in Friday night's clash between the Hancock North Central Hawks and the St. Stanislaus Rock-A-Chaws.

Both teams are 4-0 for the season and both are sporting a 1-0 record in District VIII 4A competition.

In addition, their total offense and defense statistics for the year show only a few yards' difference. The homecoming Hawks have gained a total of 128 on offense, while the Rocks have gained 120.

Defensively, the Hawks lead slightly, having given up only 36 yards, while the Rocks have forfeited only 47 in four games.

"It's going to be a real shoot-out," commented Rock Head Coach Ken Lyons. "Both teams can move the ball well and both use the option."

The principle difference between the two teams, according to Hawk Head Coach Irvin

Favre, is how they use that option.

"The big difference is that they pass, and we run," he explained, adding that if the game turns out primarily defense, it will depend on how Hancock handles the pass defense and how well the Rocks can control the ground game.

"Hancock uses a wing-T with their young sophomore (fullback Terrence) Goff doing a lot of running. And they also employ some play-fake passing," Lyons said.

"We use a flex bone and try to run as much as we pass. Both teams can move the ball in many different ways."

"If it turns out to be a defensive struggle, it would be a change from our previous games," Favre added.

"This is homecoming this week. In the past, we've played teams we were pretty sure we could beat instead of somebody who could turn out to be a

spoiler."

"There's nobody better to play than Stanislaus who could do that spoiling. It's going to be a battle, but we knew it going in."

Last year, the Hawks beat the Rocks by only three points in a 31-28 contest Favre said "we shouldn't have won. It was one of those situations where they ran out of time."

This year, that score could be close again, Lyons said.

"It could come down to one team scoring three touchdowns and the other at least two," he said.

While the Rocks try to control Goff, the Hawks will have to watch out for St. Stanislaus quarterback Cedric Smith and his receivers, Shannon Garrett and Ken Booker.

Favre also said the offensive line may be a problem.

"Their offensive line was not supposed to be so good, but they have pulled together a great offensive team," he said of his

opponents.

Favre said that Hancock North Central Stadium's gates will open at 6 p.m. for the 7:30 p.m. game due to the large crowd expected.

"Be sure and get here early," he said.

"One thing for sure, it should be a great spectator game," Lyons said.

"It will be a tough ballgame and it will be good for the county," Favre agreed. "This doesn't happen very often, with two teams undefeated."

Favre, who has been coaching at Hancock for almost 20 years, said he does not remember when, except when the Hawks and Rocks met for a season opener, both teams were undefeated.

Also, for the first time in several years, St. Stanislaus is a district opponent. The school had discontinued district participation for several years.

## OLA volleyball team chosen

Our Lady Academy volleyball team numbers eighteen players for the 1989-90 season.

Amy Poole, who teaches science and English at OLA, is the school's new volleyball coach. Harry Hull is athletic director for all OLA sports.

OLA's volleyball schedule includes meets with North Shore (Slidell), St. Scholastica (Covington), Pearl River, and Pope John Paul (Slidell).

OUR LADY ACADEMY VOLLEYBALL TEAM includes from left, first row, Rhonda Spiess, Dayle Hille, Shannon Maggio, Kaaren Kolodziej and Magan Winter; second row, Karen Kohl, Jennifer Carter, Kris-

tin Krogstad, Day Hays, Brittany Ellis and Amy Poole, coach; and third row, left, Erica Lizana, Jill Peterson, Patty Chevis, Tonya Chevis, Eunice Dedeaux and Mary Scardino. (OLA photo)

## Tigers host East Central in homecoming Friday

BY D.C. HARVILL

The Bay High Tigers football team hopes to give their fans a homecoming present Friday night—an end to a four-game losing streak.

According to the Tiger's head coach, Dodd Lee, his team should be healthy for their homecoming face-off with the East Central Hornets.

"We've had a good week of practice. The kids have put in a good week of work," Lee said.

The Tigers go into the game with a 0-4 record, while the district rival Hornets are 1-3.

"The team's attitude is far better than anyone could imagine considering the situation," he said.

"We plan to stick with our same offensive and defensive strategies. We're just going to try to refine what we do," the coach said.

On offense, the players to watch include running back

Emanuel Antoine and quarter-

back Charlie Mitchell, Lee said. Thomas Brink and Willie Moody have been the Tiger's leading tacklers in the past four games, he said.

According to Lee, East Central likes to run the option. His team will have to stop it if they are going to be successful in Friday's game.

Homecoming festivities begin at 7 p.m. Friday with kickoff at 7:30.

Shannon Maggio is ready for the ball.

## Soccer registration extended; players to be drafted Sunday

Due to numerous calls requesting late sign up, the final week of Bay Area Youth Soccer registration has been extended to Saturday September 30, at Coleman Avenue Field in Waveland from 9 - 11 A.M.

In the event of rain, registration will be held at the same location in the community center building at the field.

Saturday's registration will be the last opportunity to be placed on a team in Sunday's draft of players.

Registration will be taken after Saturday, but the players will be assigned to a pool and only placed on a team when a vacancy occurs. Any players

signed up after Saturday will be assigned to a team as space is available.

Teams will be drafted Sunday evening and the regular soccer season will begin October 21. Games will continue

through mid-December, then break until the first week in February. Contact Richard Flowers at 467-0474, for more information on the BAYS registration.

## Week's activities culminate with CEHS homecoming presentation

Coast Episcopal High School celebrated homecoming, September 23. The Queen and her court were presented at half-time ceremonies.

Elected Queen by vote of the student body, Senior Kathryn Somerville Grant was crowned by Dan Mortimer. Mortimer is

president of the Board of Coast Episcopal Schools.

Miss Grant is the daughter of Mr. and Mrs. A. Gordon Grant Jr. She is a member of National Honor Society, Mu Alpha Theta and the French Club. Katie also serves as president of the Student Council and editor-in-chief

of the annual.

Attending the queen were Senior Maid Judy Acheson, wife of Rick Barkman of Gulfport; Junior Maid Leanne Stafford, daughter of Mr. and Mrs. Maner Stafford; Sophomore Maid Cherie Todd, daughter of Mr. and Mrs. Wal-

ter Todd and Freshman Maid Penelope Blair Lambert, daughter of Mr. and Mrs. Alex Lambert Jr.

The homecoming game capped a week of activities at the school. The Raider cheerleaders had organized each day to create spirit. Monday was Victory Day; Tuesday, Safari Day; Wednesday, Bury the Cougar Day; Thursday was Red and White Day; Friday was a day of School Unity.

The elementary school's fifth and sixth grade students joined the high school for competition in billboards, best original cheers, and games.

The senior class served hot dogs at noon and a pep rally concluded the day which had begun with a chapel service.

A week-long "Hot Legs" contest to select the best male legs was won by Billy Guice, a senior.

Homecoming Day began with a touch football game for parents and friends, a tail gate party and a parade to the game site, St. Stanislaus Field. The game was followed by a dance, with music by Late As Usual, and a bonfire.

## Raiders lose to Cougars

Coast Episcopal Raiders were ripped 41-8 by the Columbia Cougars before a large homecoming crowd. The game was dominated by the Cougar's fine passing game. The Raider team had 6 turnovers to stymie the offensive game.

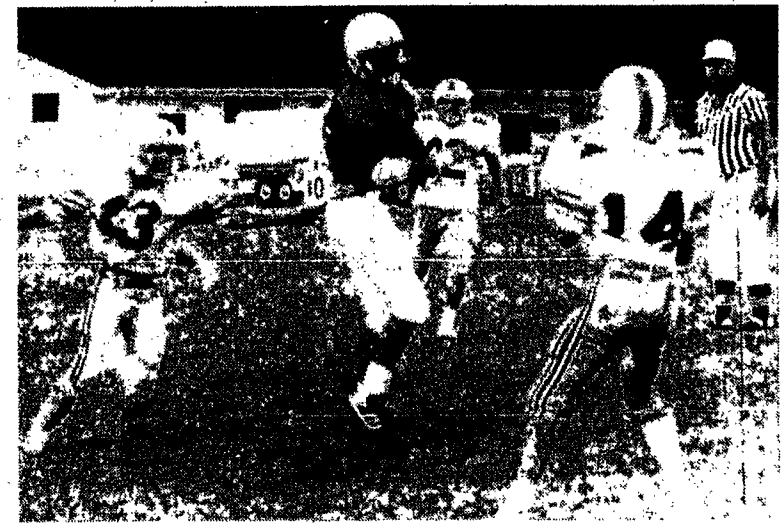

The standout play of the game was an interception by Raider Billy Guice who returned the intercept for the lone Coast Episcopal High School score. The conversion was a pass from Billy Guice to Nathan Guice in the end zone.

Good defensive efforts for the Raiders were turned in by Jamie North, Clay Cazier, and Hutson Lambert.

Coast Episcopal High School plays its next game at Faith Academy in Mobile. Game time is 7:30 p.m., Friday night.

### WORLD DEBT

In the 1970s, Third World countries borrowed heavily from commercial banks, financial institutions such as the International Monetary Fund (IMF) and other governments in order to spur economic expansion.

Due to the world economic recession, this economic expansion failed to materialize as envisioned, and the burden of debt has come back to haunt these countries in the 1980s. They are unable to pay previous debts and are paralyzed by their inability to secure new capital—they are suspended in economic limbo.

"Headline: A World of Red Ink," a new one-hour special to be broadcast at 9 p.m., Thursday, Sept. 28 on Mississippi ETV, documents the grim current situation and analyzes the debt crisis and other economic issues facing world leaders.

## SAILING ADVENTURE

For those who long to travel the world in search of the most out-of-the-way places, sign on for the maiden voyage of "Travels," a new 12-part series premiering at 8 p.m., Monday October 2, on Mississippi ETV. From the village of India to the jungles of Peru, each week "Travels" ventures to a different destination, with an offering of idiosyncratic guides leading these journeys to the most unusual places in the world.

Filmmaker, writer and explorer John Heminway serves as both host and part-time guide for this series of tours to some of the most exotic and romantic locales to meet a variety of remarkable people and learn more about the remarkable things they do.

## State Special Olympics return to Hattiesburg

Special Olympics athletes have prepared all year for this time where they put their skills and minds to the test at the 2nd Annual MSO State Fall Games, which returns to Hattiesburg from Oct. 6-8, 1989.

Camp Shelby will host the games, with Paul B. Johnson State Park and the USM Equestrian Center as satellite sites. Over 400 mentally handicapped athletes from all over the state of Mississippi will be competing in team softball, developmental softball and equestrian, and participating in tennis, canoeing and aquatics training schools.

Opening ceremonies begin on Friday at Dolton Hall at 7 p.m., and competition will get underway on Saturday from 9 a.m. to 3 p.m. Team softball and developmental softball will be held at Camp Shelby, MSO's first-ever equestrian competition will be at USM's Equestrian Center and Paul B. Johnson State Park will host the canoeing training school.

Closing ceremonies will follow after competition at 4 p.m., and entertainment and activities will be scheduled for the athletes for Friday and Saturday night.

Camp Shelby will be open to the public. Please enter at the South Gate. The public is invited to attend at no charge, and encouraged to be a volunteer, a spectator, or just cheer the athletes on.

If you are interested in becoming a volunteer, call the Special Olympics Office in Hattiesburg at 264-7295, or go to the volunteer tent at Camp Shelby throughout the day on Saturday.

What makes this year's games so unique is the combination of training and competition. The athletes and their coaches will be learning

together hands-on training in their chosen event.

Special Olympics provides year-round sports training and athletic competition in a variety of Olympic-type sports for all mentally handicapped children and adults. Not only do the games give participants continuing opportunities to develop physical fitness, but MSO athletes demonstrate courage, experience joy, and share gifts, skills, and gain friendships with the coaches, volunteers and other Special Olympians.

The benefits these athletes will receive from participating in the games will carry them farther than they can ever dream, as they will gain confidence through successful sports

experiences, and build a positive self-image, which carries over into the home, classroom, job, and community.

For more information concerning the games or participating athletes in your area, contact Melissa Weeks, Mississippi Special Olympics Development Director, at 264-7295/7296.

## MSU to face Gators

Southeastern Conference football descends upon Tampa, Fla. Saturday evening as Mississippi State makes the 500-mile journey for an SEC matchup with the Florida Gators.

Both teams enter the 6 p.m. (ET) contest with 2-1 marks. The Gators, following a season-opening home field loss to Mississippi (24-19), have rebounded with victories over

both Louisiana Tech (34-7) and Memphis State (38-13).

The Bulldogs, after a resounding season-opening win at home over Vanderbilt (42-7) and a hard-fought road win over Southern Mississippi (26-23), fell to Georgia (23-6) in Athens, Ga. last weekend.

This year's contest was originally scheduled as a Bulldog

home game in Starkville, but through the cooperative efforts of the Tampa Sports Authority and the two universities, the game was shifted to 74,315-seat Tampa Stadium, home of the NFL's Tampa Bay Buccaneers.

A crowd of 60,000 is anticipated for the game, which is being administered by the University of Florida.

## We've Been Making Loans For 99 Years

Since 1890, we've been making loans to homeowners so we've really got the hang of it.

And it follows that we'd know the ins and outs of car financing. That's why thrifty Hancock and Harrison County car buyers come to us for their automobile financing.

Maybe that's why it is so difficult to find a parking place.

So when you can't resist that new car smell, or those sleek new lines, come on in to any Peoples Federal location. We'll help you find the most economical way to finance that special car--because we're frugal too.

ment drew particularly good competition.

Lindy Heitzmann of Bay St. Louis turned in the best performance by a local player, winning all three matches to come out on top in the Girls' 12s round robin.

In the final match of the round robin, she defeated Kelly Murray, also of Bay St. Louis, with a score of 6-4, 7-5.

In the Boys' 16s, Chris Delgado of Pass Christian won the consolation on a second draw, Lagarde said.

Anthony Sperance of Pass Christian, playing in the Boys' 16s, and Myron Labat of Bay St. Louis, playing in the Boys' 14s, both reached the consolation semi-finals before being eliminated from the tourney.

Other Bay St. Louis area participants included Cedric Tassel, Diamondhead, Boys' 12s; Marion Labat, Bay St. Louis, Girls' 14s; Peter Ritten, Diamondhead, Boys' 14s; Cathy Cromwell, Pass Christian, Girls' 14; Paul Compretta, Bay St. Louis, Boys' 16; and Nicholas Walker, Pass Christian, Boys' 16.

The next event at Tennis World will be an adult tournament Nov. 11 and 12 to benefit diabetes. Lagarde will serve as tournament director and Richard Rose of Gulfport will be chairman.

A registration deadline will be announced later, Lagarde said.

## Benefit coloring contest sheets available locally

Sanrio coloring sheets for the "Color A Brighter Future For America's Children" coloring

contest are now available at Southern Charm and The Kid Company in Bay St. Louis.

The contest is open to all children under 14 years of age. Winners will be selected from

four categories: 5 and younger, 6 - 9, 10 - 12 and 13 - 14.

The grand prize is a trip to Japan for eight days and seven nights for the winning child and his/her parents. This trip includes hotel, airfare and \$2,000.00 spending money. Three first place winners will each receive a \$100.00 Sanrio Gift Certificate.

One hundred second place winners will each receive a \$10.00 Sanrio Gift Certificate. Five hundred third place win-

ners will each receive a \$5.00 Sanrio Gift Certificate.

When children participate in the "Color A Brighter Future For America's Children" contest, their parents can support the March of Dimes programs to help babies get a healthy start in life by sending an optional donation with the entry. Donations aid the March of Dimes efforts to prevent birth defects and the related problems of low birthweight and infant death.

CHEVONNE DAIGRE, 8, a third grader at Bay Catholic Elementary colors her entry in the March of Dimes coloring contest. Coloring sheets are available at The Kid Com-

pany and Southern Charm. Chevonne is the daughter of Amby and Susan Daigre of Bay St. Louis. (Echo staff photo by Janet McQueen)

## Greek Night Festival slated in Biloxi Oct. 21

Having become an established and well-known tradition on the Mississippi Gulf Coast, the 22nd annual Greek Night Festival with the theme "The Greek Experience" will take place this year beginning at 6:30 p.m. on Saturday, October 21 in the Banquet Hall of the Mississippi Gulf Coast Coliseum.

Beginning with a cocktail hour accompanied by Greek hor d'oeuvres consisting of tiropetasia (feta cheese triangles) and keftethakia (meat balls), the main home-cooked dinner, served buffet style, will consist of roast lamb and baked chicken orzo, cooked Greek style, manestra (orzo pasta), dolmathes (stuffed grape leaves),

Greek salad (with Kalamata olives and feta cheese) and homemade Greek bread.

The dessert will be the famous baklava (pecan, honey syrup, and philo delight). Greek and American wine will be served.

Preceding the buffet, which will serve primarily by members of the local Greek Orthodox Parish, both the American and Greek national anthems will be sung, followed by the invocation and, for the first time, an ouzo (Greek aperitif liquor) toast will be made.

Following the buffet dinner, a semi-professional dance group, the "Hellenic Dancers" of the New Orleans Greek Ortho-

dox Cathedral Parish, will present a half-hour exhibition program of various native Greek folk dances for the pleasure and entertainment of the guests.

The evening's music will be provided by the "Grecian Keys" of Warren, Ohio who will offer both Greek and American dancing for the event. Door prizes awarded throughout the evening will consist of first prize, a table of ten for next year's event, second prize, a large tray of delicious, assorted Greek pastries to be given prior to the Christmas holidays and third prize, numerous bottles of ouzo and metaxa. BYOB will be allowed after 8 p.m.

General co-chairmen of the event this year are Photine Vlahos and George Mavromihalis; assisted by cooking chairmen Helen Taylor and Kay Phiaris; reservations and tickets, Linda and Louis Peters, publicity chairmen, Bill Economos and George Demopoulos; decorations, Ang Mavromihalis, Soula Krishack, and Irene Stevens; entertainment chairman Coco Collins, cocktail chairmen Johnnie and Louis Mestier, and hors d'oeuvres chairman Rosa Bloom. Master of Ceremonies will be Eline Stevens Love.

The Greek Night Festival is the major fund raising project of the year for the local Holy Trinity Greek Orthodox Community. Previous festivals have assisted the church budget in among other ways by helping to improve the physical building as can be attested by the new Byzantine renovations finally completed. The church is located on Beauvoir Road, Biloxi.

Reserved tickets at \$30 per person may be purchased individually or in tables for eight or 10 guests. Limited in number, they are available at the Coast Coliseum ticket office 388-8222 or by calling 436-4207, 762-2241, 875-0630, or from any church member of the parish.

Early purchase of the same is strongly urged as approximately one thousand guests, including some from out-of-town, are expected. Past festivals have been a complete sell-out.

## Miller begins internship

University of Mississippi students who are entering their fifth and final year of training in the university's clinical psychology doctoral degree program will begin serving their internships this fall in some of the most prestigious clinical psychology programs in the nation.

Prime placement of these students is a positive reflection on the quality of the doctoral degree program offered at Ole

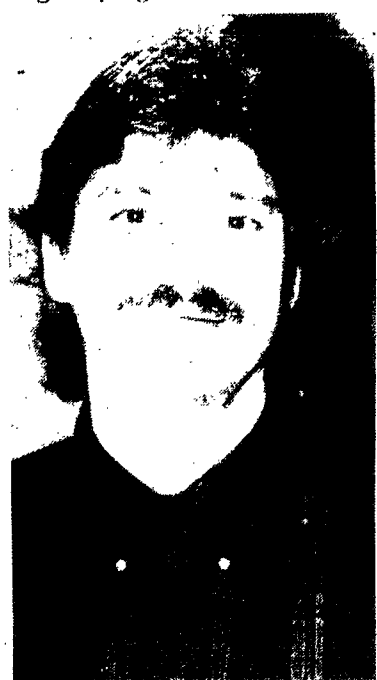

Miss, said Dr. Karen Christoff, director of clinical training and associate professor of psychology.

Drafting students into clinical psychology internships is a nationally coordinated effort. On a given day in the final semester of the fourth year of their five-year program, students enrolled in clinical psychology doctoral programs at colleges and universities around the nation sit beside their phones eagerly awaiting the all-important phone call offering them an internship—the final, and perhaps most important, phase of their professional training.

University of Mississippi doctoral student L. Stephen Miller of Bay St. Louis is interning at the Palo Alto (Calif.) Veterans Administration Hospital. The one year of training in behavioral medicine and neuropsychology is required for the doctorate in clinical psychology degree, which he expects to receive at Ole Miss in August 1990.

The C. L. McLang High School graduate received his master's degree at the New Mexico Highland's University and bachelor's degree at California State University.

He is the son of Lloyd and Nathalie Miller of Bay St. Louis.

### BILL MOYERS

Bill Moyers looks at "Ancestral Voices" on the Friday, Sept. 29, edition of "Moyers: The Power of the Word" on Mississippi ETV.

Airing at 9 p.m., this one-hour program visits poets who turn to the past and their own cultural heritage to understand the present. Featured at a poetry reading recently held at Glassboro State College and in extensive interviews with Moyers are Garrett Hongo, Joy Harjo and Mary TallMountain.

## MILITARY MENTION

### SEAMAN HOGUE

Navy Seaman Recruit Kimberli D. Hogue, whose husband, Eric, is the son of Bruce and Ina B. Crammer of Clermont Harbor, has completed recruit training at Recruit Training Command, Orlando.

During Hogue's eight-week training cycle, she studied general military subjects designed to prepare her for further

academic and on-the-job training in one of the Navy's 85 basic fields.

Hogue's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.

She joined the Navy in April 1989.

## Arboretum program tributes pioneer newswoman, poet

BY D.C. HARVILL  
Eliza Jane Poitevaut Nicholson, better known as "Pearl Rivers", will be the topic of a program Sunday at the Crosby Arboretum's Pinecote Pavilion in Picayune.

The program will be conducted by noted scholar of Southern literature Noel Polk, professor of English at the University of Southern Mississippi.

The dynar Hancock County native, for whom Nicholson Avenue in Waveland was named, Eliza Jane Nicholson, is known for her progressive 20-year, 1876 to 1896, reign as editor of the New Orleans Picayune, predecessor to today's Times-Picayune.

She may be best known, however, for her poetry written under the nom de plume, "Pearl Rivers".

Born in 1852 in Gainesville (where Stennis Space Center is today), she was reared in what is now Picayune. She happened into the newspaper business in 1872 when she married Alva Morris Holbrook, the Picayune's owner.

Two years after Holbrook's death left her in possession of the Picayune, she married the paper's business manager, George Nicholson.

Upon Holbrook's death she assumed the then traditionally male role of newspaper editor.

By tackling major issues and widening the paper's coverage

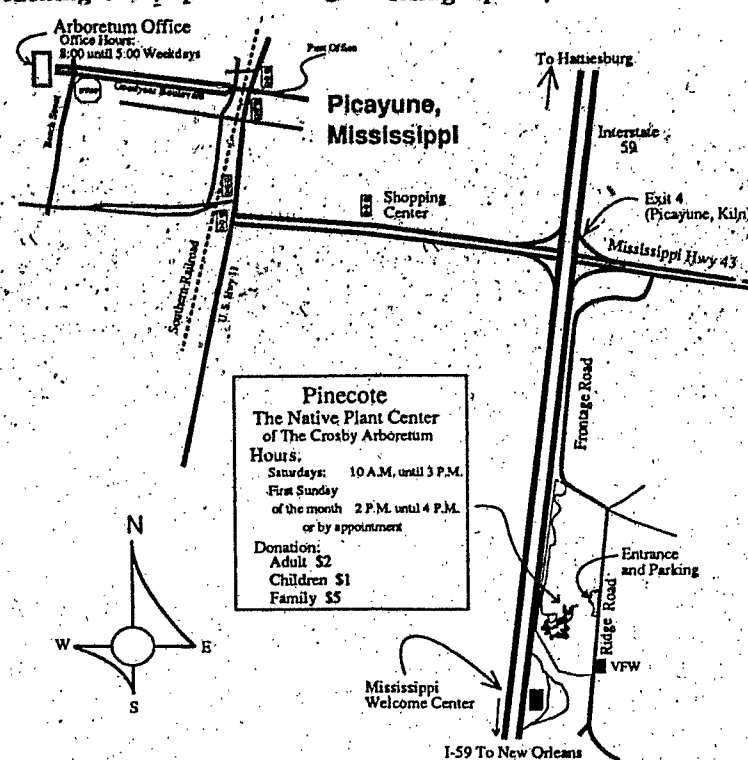

to include society and emphasizing sports, she established

the Picayune as a major metropolitan newspaper.

As "Pearl Rivers", the pseudonym taken from the Pearl River, near which she spent most of her life, her poems were published in national magazines and in the volume Lyrics, published in 1873.

Eliza and George Nicholson built and for a number of years lived in a palatial home in Waveland, overlooking Mississippi Sound.

Pinecote Pavilion is located on Ridge Road just off Interstate 59, south of the Picayune city limits.

## Students offered study abroad

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Germany, France, Switzerland, Mexico, Britain, Holland, Italy, Spain, Australia, New Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Julie Khaleghi, southern director of ASSE.

"Until a few years ago, only a fortunate few could afford to spend a school year or summer abroad. Now, ASSE has changed all that," continued Khaleghi.

Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience life abroad with a volunteer host family from Europe, Canada, Mexico, Australia or New Zealand.

"ASSE families abroad are carefully screened to provide a caring environment in which students can learn the language and culture of their host country," explained Khaleghi.

Summer exchange students live with a family abroad who usually speaks some English. Year students need not have

learned a foreign language as they receive language and cultural instruction as part of the ASSE program.

ASSE students attend regular high school classes along with their new teenage friends. "ASSE exchange students learn by living the language and culture of their new host country," added Khaleghi.

The non-profit, public benefit ASSE International Student Exchange Program is affiliated with the national Swedish and Finnish Department of Education, and is approved by the Australian and New Zealand Departments of Education.

ASSE also provides international opportunities for families to host students from Scandinavia, Germany, France, Switzerland, Britain, Mexico, Italy, Holland, Spain, Japan, Canada, Australia and New Zealand. These select students are 15 to 18 years old and will attend the local school for an academic year.

Students or families interested in more information about the ASSE program should contact Mary Ann Kelly, 3003 Old Mobile Avenue, Pascagoula, MS 39567 at (601) 762-7475 or call 1-800-333-3802.

## USM Symphony plans Biloxi performance

The University of Southern Mississippi Symphony Orchestra will present an evening concert at 8 p.m. Oct. 13 in the Biloxi Saenger Theatre.

Sponsored by the Gulf Coast Symphony Orchestra Inc., the concert will feature guest soloist Lois Leventhal on piano. The program will feature Beethoven's "Overture to Fidelio," Ravel's "G Major Piano Concerto" and Prokofiev's "Lieutenant Kije Suite" with baritone Peter Infanger.

Admission for the concert, which is not included in the Gulf Coast Symphony Orchestra's 1989-90 subscription season, is \$10. Tickets are available at the campus bookstores of USM's Gulf Park and Jackson County campuses, and at the USM Keesler office. USM faculty, students and staff may obtain tickets for \$5.

For more information, contact the Gulf Coast Symphony Orchestra by calling 388-1976 or 868-3015.

## Lagasse named SSC Key Club Student of Month

St. Stanislaus senior Mickey Lagasse has been named "Key Club Member of the Month" for August by the St. Stanislaus Key Club Board.

Lagasse was in charge of the "Back to School Dance"; he assisted at the sixth grade barbeque; and he represented St. Stanislaus at the Bay St. Louis town meeting on youth problems.

Lagasse is the son of Mr. and Mrs. Jay Lagasse of Bay St. Louis. (SSC Photo)

## Breerwood, Fisher earn real estate licenses

Real Estate License Examinations were held Monday, Sept. 11 in Jackson for those Mississippi residents desiring to enter the field of real estate sales, rentals, appraisals and related real estate activities.

Fifteen individuals applied for the brokers license and 59 individuals applied for the salespersons license. Seventy-nine percent of those sitting for the brokers examination successfully completed the require-

ments and will now become licensed real estate brokers. Sixty-nine percent of those sitting for the salespersons license successfully completed the examination and will now be awarded the salespersons license.

Commissioner Harry J. Joachim, 5th Congressional District, Biloxi, announced that Derek Paul Breerwood of Waveland and Valerie G. Fisher of Pass Christian have been issued a salespersons license.

## Planned Parenthood literature available

Planned Parenthood has opened a Mississippi office in Hattiesburg that will coordinate the organizations' activities for the entire state. The office will work to develop programs that allow Mississippians to make better, more informed, and healthier choices about their own reproductive needs and those of their families.

Harry Crumpler, who has worked with a number of organizations throughout Mississippi, will be Planned Parenthood of Mississippi's statewide organizer.

Crumpler is a graduate of the

University of Southern Mississippi and is currently finishing a master's degree at Tulane University.

He has served as the managing editor of the international research journal, *Social Science Research*, and has studied statistics at the University of Michigan's Interuniversity Consortium for Political and Social Research.

For information about Planned Parenthood of Mississippi or its programs, call or write: Planned Parenthood of Mississippi, P.O. Box 893, Hattiesburg, Mississippi 39403-0893, (601) 545-9264.

## ON ETV

### HOMELESS

"Lost Angeles," a one-hour documentary airing at 10 p.m., Tuesday, Sept. 26 on Mississippi ETV, depicts firsthand the harsh realities of homelessness. The "P.O.V." (point of view) series presentation captures the ups and downs of the daily lives of a group of homeless people in a Los Angeles urban campground.

### CHINESE REVOLUTION

On Oct. 1, 1949, Mao Tse-tung declared the founding of the People's Republic of China after 38 years of bitter, bloody and divisive revolution and civil war.

"China in Revolution, 1911-1949," a new two-hour special airing at 9 p.m., Wednesday, Sept. 27, on Mississippi ETV, provides a context for recent events by telling the story of one of China's most turbulent periods in modern history.

The film describes the rise to power of two charismatic leaders, who would dominate China's long and bloody revolution—Chiang Kai-shek and Mao Tse-tung.

## Garfield readers must register by Oct. 7 at library

Registration for the Garfield Reading Club, sponsored by the Hancock County Library System, will close Friday, October 7, according to Prima Wusnack, Library System director.

The program is open to all children pre-school age through third grade and those children who have not yet learned to read may participate by having a parent read to them.

In order to register, children should sign up at the library branch nearest them, and then visit the library at least 10 times before December 15. Library staff members will be happy to assist children and parents in selecting books on the child's reading level.

Each time the child checks out books, he should have his visitor's log stamped with a Garfield paw print. The week of December 15, certificates will be presented to those participants who have 10 paw prints on their visitors log.

Garfield's Monday jumble puzzle sheet is available to participants next week, October 2 through 7.

Further information is available by calling the main library at 467-5282, the Kiln Library at 255-1724, or the Waveland Library at 467-9240.

*Blue Willow...*

**WINN DIXIE**

America's Supermarket.

the most popular pattern ever to decorate a plate is imported from England and produced by Churchill, a leading china manufacturer for over 145 years. For more than 200 years Blue Willow has graced the finest dining tables in the world and stirred the imaginations of discerning collectors. And no wonder. Who, after all, can resist the charming myth depicted on the plate — that of the star-crossed lovers who were turned into immortal love birds? And who could fail to recognize the quality of the hand engraving or the distinctive cobalt blue?

And now there's a real reason to celebrate. For a limited time through this exclusive offer you can buy classic Blue Willow at tremendous savings.

At these prices you can't afford not to start your collection. But do it today. An opportunity like this may never come your way again.
